

NZMUGS

New Zealand Modelling User Group

Wellington
9th - 10th September 2013
CONFERENCE

First Announcement and Call for Presentations

The 6th annual NZMUGS Conference will provide significant opportunity for customers, researchers, engineers, modellers and other practitioners in the transportation modelling fraternity to discuss current developments across a wide range of modelling applications.

To cover what NZMUGS perceive as a growing area of traffic engineering and practice in New Zealand and Australia, we invite modelling presentations to be presented at the conference in the following areas:

- New approaches to modelling and innovation
- Beyond travel time savings

If interested please submit an abstract of what you would like to present by the 10th May 2013. Please email all enquiries to Gavin Smith at Gavin.Smith@opus.co.nz with the subject line: '2013 NZMUGS Conference'.

We also invite interest in sponsorship, please contact Gavin directly for further information.

Key Dates

Please submit your expressions of interest to present at this conference by 10th May 2013.

Registration forms will be available from 3rd June 2013 and will close on the 16th August 2013. If you wish to pre-book please contact Gavin Smith directly.
