

TRAFINZ, in association with Land Transport New Zealand, is pleased to announce that the annual Trafinz Conference is gearing up to be the best equipped yet!

Providing the "tools to deliver in the future" will appeal to a wide audience who are keen to achieve their goals for 2008. This theme will be reflected in the list of local and international speakers who have a proven track record in using innovative ideas and tools to make enormous progress and achieve improvements in their chosen field of expertise.

TOOLS AND TECHNOLOGY

CELEBRATING THE PAST GEARING UP FOR THE FUTURE
60th Trafinz Conference Christchurch 7-10 September 2008

[See over for more details >>](#)

Celebrating the past...

Christchurch 7-10 September 2008

Gearing up for the future...

Trafinz would like to celebrate the past and reflect on how far we have come plus all the fabulous achievements along the way.

What better way to do this than to celebrate the 60th Anniversary at the conference and as part of the social programme.

"Diamond" represents 60 and for this reason this symbol will feature throughout the conference and dinner.

Having the right tools and technology to do our jobs affects us all in the way we carry out our tasks and ultimately impacts on our ability to deliver. The future is no longer beyond our reach and many of the innovative ideas we have discussed previously are ready to be implemented and acted upon. This conference will give sponsors and exhibitors the opportunity to showcase their products and be part of delivering the future.

Trafinz is promoting tools and technology, and in doing so recognises the great work that is underway in the education, enforcement and engineering sectors around New Zealand.

Venue and Accommodation

Hotel Grand Chancellor Christchurch is conveniently positioned in central Christchurch and within easy walk of major attractions and business centres. It combines the comforts of a Qualmark rated, superior 4-star hotel with Christchurch's premier hotel meeting venue, providing conference space for delegates and a variety of first class breakout rooms

Accommodation begins on the 15th floor of the building and offers quiet, well-appointed and spacious guest rooms, with sweeping views over the city and Canterbury Plains to the snow capped Southern Alps. Outstanding features of all guest rooms are their size, desk/work space, generous storage areas and natural light.

The hotel also features 7 two bedroom and 4 one bedroom apartments with fully equipped kitchen, living and dining area. A very competitive accommodation rate of \$145.00 + GST per room per night has been negotiated for the conference.
